In the Lone Star state the percentage of cars sold to farmers has more than doubled during the past six months,

While the officials of Rhode Island are strict in the enforcement of laws relating to automobiles, the importnat section that refers to registration plates will not be enforced for at least six weeks, as those of the new design will not be ready for distribution be-fore that time. Therefore the owners of machines having the plates issued last year will retain the same. The owners of machines that have not been previously registered will be required to display the registration number, but can do so just as their fancy dietates. NO MORE GRAY HAIR. Sage and Sulphur Remedy for Dan-

druff, Faded and Gray Hair. The old idea of using Sage for dark-ening the hair is again coming in vogue. Our grandmothers had dark, glossy hair at 75, while our mothers are gray before they are 59. Our grand-mothers kept their hair soft and glossy with a "Sage Tea," which also restored the natural color.

One objection to using such a preparation was the trouble of making it. This objection has been overcome by the Wysth Chemical company of New York, who has placed on the market a superior preparation of Sage, combined with Sulphur and other valuable remedies for dandruff, itching scalp and thin, weak, falling hair.

The beauty of the hair depends more on its rich, even shading than anything else.
